## Administrative Email Address Change Form

**Fax:** 905.631.7404

**Attention:** Lara Internet Administration

Fax this form, complete with all applicable details, to the fax number above in the event that a Domain's Administrative Contact email address is no longer functioning, and must be changed to a new address.

Please make sure that all of the appropriate details are included (Note: the required elements will depend on whether the domain is owned by an individual or a corporation).

<b>Required: Individual's Domain Name:</b>	<b>Required: Corporation's Domain Name</b>
1) Domain Name 2) Signed letter of request 3) Photo ID (current driver's permit or passport) 4) New administrative email address 5) Owner's Signature	1) Domain Name 2) Signed letter of request on Company letterhead 3) Business Registration documents 4) Photo ID connecting Requestor to the Corporation (current driver's permit or passport) 5) New administrative email address 6) Owner's Signature <i>This information should belong to someone with demonstrable signing authority for the organization, as shown on the Business Registration documents.</i>

Lara Internet will email the new Administrative email address notifying them that the update has been completed. Note that the administrative email address is the only aspect of your domain record that Lara Internet will update. Once that is updated you can request the log in information to be send to that address and you can then make the appropriate changes on the manage your domain section of the Lara Internet website.
